To Our Foreign Traffic Family of Customers,

As we continue to navigate the impact of the coronavirus (COVID-19), the safety and well-being of our Customers and Our Employees remains our highest priority! We want to assure you, that we are taking the necessary measures to ensure that we maintain a Healthy & Safe Environment throughout Foreign Traffic Import Sales & Service.

Although we have always been obsessive about the cleanliness of our facility, and our automobiles, we have enhanced our procedures to include additional cleaning and more frequent cleaning of high-touch areas, both in our auto repair facility and auto showroom.

At the same time, we are ensuring that our Team Members are well-informed and following CDC guidance, including frequent hand washing and staying home if they feel ill.

With the everchanging directives and daily life routines, we understand that you may not feel comfortable entering any facility or establishment, due to the Safe Distance Policy we are all trying to follow. We want you to know that we think of all of you as part of our family, and we want you to feel safe, and know we are here to assist you with any vehicle service needs.

*So, in order for our Customers to continue to have their automobiles serviced at their convenience, without adding another disruption to their lives and families, **Foreign Traffic will be offering A Vehicle Pick-Up and Drop - Off Service for your vehicles FREE OF CHARGE for those in need. (within a limited radius)***

If you are feeling uncomfortable about traveling outside your home, or perhaps taking care of children or older family members, we want to offer this service to you should the need arise.
